RE: El Paso Foreign Trade Zone 68

Dear Executive Secretary:

We understand that an application is being filed with the Foreign-Trade Zone Board of the Department of Commerce to expand Foreign Trade Zone 68 to include location within the El Paso Independent School District in El Paso County, Texas. We support this initiative as it helps to grow our economy and create more jobs in our region.

Strong foreign trade zone activity has played a vital role in international trade activity in the El Paso region for many years. Our economy has been positively impacted from international trade. We anticipate that expanded foreign trade designation to cover these additional land parcels and facilities will further enhance international trade and our regional economy.

I am sending this letter on behalf of El Paso Independent School District to extend our support to the project.

Sincerely,

Diana Sayavedra
Superintendent
